

Name	Philipp Fabbio
Title of publication 1	“L’abuso di dipendenza economica” (Abuse of Economic Dependence), Giuffrè, Milano, 2006, p. XX-570
Year	2006
Abstract	The book seeks to identify the main features characterizing the abuse of economic dependence, exploring the intersections with competition law and consumer law. Both the European and the comparative perspective are analysed.
Title of publication 2	“Diffide e impegni di desistenza nel contenzioso industrialistico” (Intellectual Property Enforcement in Italy), in Scritti in onore di Luigi Carlo Ubertazzi, 2018
Year	2018
Abstract	The article examines IP enforcement rules in the Italian system as resulting from the IP Enforcement Directive as well as from the Italian procedural regulation. The most recent case law is analysed also in the light of the Trade secret Directive.
Title of publication 3	“Massimo edittale e imprese mono-prodotto nella prassi sanzionatoria dell’AGCM” (Competition Law Sanctions in the Italian practice), in GIORNALE DI DIRITTO AMMINISTRATIVO, 2016, pp. 427-435
Year	2016
Abstract	The article examines the Italian Competition Authority’s fining practice, with specific reference to the practices of mono-product firms, also in the light of the most relevant European trends.
Title of publication 4	“Gli obiettivi del diritto antitrust comunitario nel dibattito recente” (European Competition law objectives in the recent debate), in Scritti in onore di Mario Libertini. Tomo II, Giuffrè, Milano, 2015, t. II, p. 821-847
Year	2015
Abstract:	Competition law and economics theories are analysed with the view to verify whether and to which extent a pro-competitive approach to knowledge based economy requires the modernization of the competition law toolbox.

Title of publication 5	“Dieselgate and Consumer Law: Repercussions of the Volkswagen Scandal in Italy” (in English), in EUVR - JOURNAL OF EUROPEAN CONSUMER AND MARKET LAW, 2017, pp. 94-96
Year	2017
Abstract	The article aims at exploring the consumer law aspects of innovation business practices. The principle of fairness in business relations and interactions on the market is considered.
Title of publication 6	“Divieto di abuso di dipendenza economica e responsabilità per attività di direzione e coordinamento di società” (Economic Dependence and holding responsibility), in Impresa e controllo, a cura di T.M. Ubertazzi, il Mulino, Bologna, 2016, pp. 193-214
Year	2016
Abstract:	The article identifies the legal principles on the prohibition of the abuse of economic dependence, and the relation with the liability for direction and coordination activities of companies.
